Membership = Growth!

Think back to when you were asked to join and share that same invitation to someone else. For example:

- Talk to people you already know about the great projects you are undertaking with fellow Exchange members. Then, ask if they'd like to attend a meeting or an event with you.
- Use your social media

apps to keep your friends and family informed of club activities. Post photos of exciting club functions.

- Give a brief presentation about our club to a captive audience at other clubs or organizations.
- Post a flyer/poster describing an upcoming Exchange event at the local library or with permission, post at our local university campus.
- Let's grow our club.
